

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stacy Smith
DOCKET NO.: 15-23471.001-R-1
PARCEL NO.: 02-05-100-027-0000

The parties of record before the Property Tax Appeal Board are Stacy Smith, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 22,993
IMPR.: \$ 42,579
TOTAL: \$ 65,572

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 3,880 square feet of living area. The dwelling is 22 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a three-car garage. The property has a 39,988 square foot site, and is located in Barrington, Palatine Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject was owner occupied.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on 4 equity comparables.

The appellant also contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted sales information for three of the four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,000. The subject property has an improvement assessment of \$43,007, or \$11.08 per square foot of living area. The subject's assessment reflects a market value of \$660,000, or \$170.10 per square foot of living area, including land, when applying the 2015 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and one sale comparable.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board notes the appellant sale comparable #1 represents the same sale of the same property as board of review sale comparable #3. The Board finds the best evidence of market value to be appellant's comparables #1, #2, and #3, and board of review comparable #1. These comparables sold for prices ranging from \$122.23 to \$170.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$170.10 per square foot of living area, including land, which is slightly above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate that the subject is overvalued, and a reduction in the subject's assessment is warranted. Since market value has been determined, the Board finds that the subject is now fairly and equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
