

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sam Prassinios  
DOCKET NO.: 15-24082.001-C-1  
PARCEL NO.: 11-30-210-025-0000

The parties of record before the Property Tax Appeal Board are Sam Prassinios, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$22,532  
**IMPR.:** \$28,113  
**TOTAL:** \$50,645

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a one-story, three-unit, free-standing retail building built in 1942. It contains 4,275 square feet of building area and is situated on a 6,555 square foot site. It is located in Evanston Township, Cook County and is classified as a 5-17 property under the Cook County Classification of Real Property Ordinance and assessed at 25% of fair market value.

The appellant, via counsel, argued that the fair market value of the subject property was not accurately reflected in its assessed value. In support of the market value argument, the appellant submitted four properties suggested as comparable. They ranged: in size from 3,000 to 7,010 square feet of building area and in sale price from \$27.14 to \$42.80 per square foot of building area, including land. These sales were located in Skokie, Evanston or Chicago. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$37,406.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's final assessment of \$50,645 was disclosed. This yields a market value of \$202,580, or \$47.39 per square foot, including land. In support of the subject's assessment, the board of review submitted a property record card for the subject property and sales data for seven retail properties located within either Evanston, Lincolnwood or Chicago.

The comparables contain between 3,800 and 6,326 square feet of building area and sold for sale prices ranging from \$250,000 to 620,000, or \$50.00 to \$157.89 per square foot of building area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable #2 as well as the board of review's comparables #1 and #4. These comparables sold for prices ranging from \$27.14 to \$157.89 per square foot of building area, including land. The subject's assessment reflects a market value of \$47.39 per square foot of building area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
