

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Martin  
DOCKET NO.: 15-24973.001-R-1  
PARCEL NO.: 14-20-415-010-0000

The parties of record before the Property Tax Appeal Board are Donald Martin, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 17,360  
**IMPR.:** \$ 52,640  
**TOTAL:** \$ 70,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of two improvements. Improvement #1 is a three-story dwelling of masonry construction with 3,144 square feet of living area. Improvement #1 is 127 years old. Features of Improvement #1 include a full unfinished basement. Improvement #2 is a two-story coach house with 1,796 square feet of living area. Improvement #2 is 137 years old. The property has a 3,100 square foot site, and is located in Chicago, Lake View Township, Cook County. Improvement #1 and Improvement #2 are both classified as class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$700,000 as of January 1, 2015. The appraisal states that the units within the subject are occupied by

tenants, and, therefore, the subject is not owner occupied. The appellant requested that the subject's assessment be reduced to 10.00% of the appraisal's estimate of market value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$81,226. The subject's assessment reflects a market value of \$812,260 when applying the 2015 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and four sale comparables for Improvement #1.

In rebuttal, the appellant argues that the board of review's equity comparables should be given no weight, because they do not address the appellant's market value argument. The appellant further argues that the board of review's sale comparable should be given no weight because no adjustments were made to account for various claimed differences between the comparable and the subject.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$700,000 as of the assessment date at issue. Since market value has been established the 2015 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
