

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Levinsohn
DOCKET NO.: 15-25214.001-R-1
PARCEL NO.: 14-29-116-012-0000

The parties of record before the Property Tax Appeal Board are Michael Levinsohn, the appellant(s), by attorney Katherine Amari O'Dell, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 16,875
IMPR.: \$ 28,125
TOTAL: \$ 45,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame construction with 2,995 square feet of living area. The dwelling is 129 years old. Features of the home include a full finished basement and central air conditioning. The property has a 3,125 square foot site, and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$450,000 as of January 1, 2015. The appraisal states that both units within the subject are leased, and, therefore, it is not owner occupied. In the sales comparison approach to the value in the appraisal, the appraiser adjusted sale comparable #2 downward for building age and condition,

while sale comparable #5 was adjusted downward for this factor. The appraiser further stated that all of the comparables were inspected from the outside.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,399. The subject's assessment reflects a market value of \$623,990, or \$208.34 per square foot of living area, including land, when applying the 2015 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and four sale comparables. The board of review also submitted printouts from the MLS for appellant comparables #2 and #5 found in the sales comparison approach of the appraisal. The printouts state that both comparable properties were sold "as-is," while the printout for comparable #5 further states that the "[p]roperty is in need of complete gut rehab."

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The board of review's evidence concerning the conditions of comparables #2 and #5 found in the sales comparison approach to value of the appellant's appraisal was given diminished weight, as the appraiser made adjustments for this factor after inspecting these comparables. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$450,000 as of the assessment date at issue. Since market value has been established the 2015 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
