

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: DPDA Nishimura Investments LLC
DOCKET NO.: 15-26035.001-R-1
PARCEL NO.: 02-08-206-009-0000

The parties of record before the Property Tax Appeal Board are DPDA Nishimura Investments LLC, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,500
IMPR.: \$35,000
TOTAL: \$39,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 27-year-old, two-story dwelling of frame construction with 2,376 square feet of living area. Features of the home include a partial basement, central air conditioning, a fireplace and a two-car garage. The property has a 9,000 square foot site and is located in Palatine Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on April 10, 2015 for a price of \$250,000. In support of this sale, the appellant submitted the Illinois Real Estate Transfer Tax PTAX-203 reflecting the subject's 2015. In addition, the appellant completed section IV of the appeal form stating that the subject was not advertised for sale. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,500. The subject's assessment reflects a market value of \$395,000 or \$166.25 per square foot of living area, land included, when using the 2015 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on each of those properties. In addition, the board of review argued the appellant failed to show that the 2015 sale was at arm's length.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the four comparable sales submitted by the board of review. These comparables were similar to the subject in location, style, construction, features, age, and land area. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices ranging from \$156.73 to \$176.77 per square foot of living area, including land. The subject's assessment reflects a market value of \$166.25 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board gave little weight to the subject's sale because the appellant admitted it was not advertised on the open market and as such lacked the necessary elements of an arm's length transaction. Based on this record the Board finds the subject's assessment is not reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
