

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: AN Capital, LLC  
DOCKET NO.: 15-26076.001-R-1  
PARCEL NO.: 15-08-406-021-0000

The parties of record before the Property Tax Appeal Board are AN Capital, LLC, the appellant(s), by attorney Peter D. Verros, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,015  
**IMPR.:** \$ 6,933  
**TOTAL:** \$ 9,948

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a one and one-half-story dwelling of frame and masonry construction with 1,913 square feet of living area. The dwelling is 55 years old. Features of the home include a full unfinished basement, central air conditioning, and a two-car garage. The property has a 6,700 square foot site, and is located in Bellwood, Proviso Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance. The subject is owned by a business entity, and, therefore, it is not owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on two comparable sales.<sup>1</sup> These comparables sold from August 2013 to March 2015 for prices ranging from \$53,500 to \$100,000, or \$28.31 to \$52.91 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,069. The subject's assessment reflects a market value of \$110,690, or \$57.86 per square foot of living area, including land, when applying the 2015 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant comparables #2 and #3. These comparables sold for prices ranging from \$28.31 to \$52.91 per square foot of living area, including land. The subject's assessment reflects a market value of \$57.86 per square foot of living area, including land, which is above the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment is warranted.

---

<sup>1</sup> The Board notes that comparable #1 in the appellant's grid sheet represents a sale of the subject. However, the appellant did not submit any evidence detailing the arm's length nature (or lack thereof) of this sale. For ease of reference, the remaining two comparables will be designated comparable #2 and comparable #3 as listed on the grid sheet.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
