

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bozenna Garus  
DOCKET NO.: 15-26249.001-R-1  
PARCEL NO.: 12-36-215-039-1002

The parties of record before the Property Tax Appeal Board are Bozenna Garus, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 463  
**IMPR.:** \$5,137  
**TOTAL:** \$5,600

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a residential condominium unit that has an 8.55% ownership. The dwelling is 44 years old. The property has a 7,740 square foot site and is located in Leyden Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The appellant also submitted recent sale information for comparable #4.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,625. The subject property has an improvement assessment of \$8,162. In support of its contention of the correct assessment the board of review submitted information on ten equity comparables with recent sale information for four of the comparables.

In written rebuttal, the appellant stated the assessor's valuation is based on sales dating back to 2011.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables, with the exception of comparable 12-36-215-039-1009. These comparables are located within the subject building and have percentages of ownership that range from 6.70% to 8.75%, and have improvement assessments that range from \$4,325 to \$5,648. The subject's improvement assessment of \$5,519 falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
