The parties of record before the Property Tax Appeal Board are Elizabeth Lightbody and Paul Munsteman, the appellants, by attorney David C. Dunkin, of Arnstein & Lehr, LLP in Chicago; and the Cook County Board of Review.

ANALYSIS

The subject property consists of two parcels, one of which is improved with a two-story dwelling of frame construction. The dwelling is approximately 90 years old and has 3,370 square feet of living area. Features of the home include a partial unfinished basement, three fireplaces and a one-car garage. The property has a 10,369 square foot site and is located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board for the prior year under docket number 14-21608.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property's two parcels to \$73,685 based upon the evidence submitted by the parties. The Property Tax Appeal Board takes notice that 2014 and 2015 are within the same general assessment period for New Trier Township. (86 Ill.Admin.Code §1910.90(i)).

The appellants' appeal is based on overvaluation. The appellants submitted evidence disclosing the subject property was purchased on April 29, 2013, for a price of \$736,853. Based on this evidence, the appellants requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property's two parcels totaling \$95,328 (\$18,357 for land and \$76,971 for the improvement) was disclosed. The subject's assessment reflects a market value of \$938,268 or \$278.42 per square foot of living area, land included, when applying the 2015 three-year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.16% as determined by the Illinois Department of Revenue. The board of review submitted descriptions and assessment information on four comparable sales to demonstrate the subject's assessment reflected the property's market value. These properties sold from June to November 2014 for prices that ranged from \$980,000 to \$1,475,000 or from \$333.76 to \$458.36 per square foot of living area, land included.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2014 assessment to \$73,685. The record further indicates that the subject property is an owner-occupied dwelling. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
