

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Monica McEldowney  
DOCKET NO.: 15-27440.001-R-1  
PARCEL NO.: 24-15-100-044-1007

The parties of record before the Property Tax Appeal Board are Monica McEldowney, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 755  
**IMPR.:** \$6,145  
**TOTAL:** \$6,900

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is residential condominium unit located in a nine-unit residential condominium building. The subject is 40 years old and is situated on a 10,800 square foot site. It is located in Worth Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$69,000 as of March 22, 2016. The appraisal indicated that the subject is owner-occupied. The appellant also submitted information on comparables sales in her neighborhood, one of which was located in the subject's building.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,148. The subject's assessment reflects a market value of \$81,480

when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted a memorandum indicating the subject's market value should be \$91,800 based on the sale of one unit in the subject's building that occurred in 2013. That sale was the sale of the subject unit, which sold in March 2013 for \$102,000.

**Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant as it is more proximate in time to the subject's January 1, 2015 valuation date than the subject's March 2013 sale date. Additionally, the board of review provided no details regarding the transfer of the subject property in 2013. The sale of the neighboring unit in the subject's building also provides evidence that the market value of the units in the building has declined. Therefore, the Board finds the subject property had a market value of \$69,000 as of the assessment date at issue. Since the market value has been determined, the assessment level of 10% as established by the Cook County Real Property Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
