

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Crutchfield  
DOCKET NO.: 15-28069.001-R-1  
PARCEL NO.: 25-15-404-024-0000

The parties of record before the Property Tax Appeal Board are Paul Crutchfield, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,098  
**IMPR.:** \$ 8,891  
**TOTAL:** \$11,989

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, row house dwelling of masonry construction. The dwelling is 127 years old. Features of the home include a full basement and a one and one-half-car garage. The property has a 3,098 square foot site and is located in Hyde Park Township, Cook County. The subject is classified as a class 2-10 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted a February 26, 2016 appraisal that indicates the subject's market value is \$75,000. The appraisal also indicates the subject's square footage of living area is 2,000. Based on this appraisal, the appellant requested an assessment of \$8,098.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,989. The subject's assessment reflects a market value of

\$119,890, including land, when applying the 2015 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The board of review's evidence lists the subject's square footage of living area as 1,461. In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

At hearing, the appellant presented his appraisal. The board of review's representative objected to the appraisal as the appraiser was not present to testify. The Administrative Law Judge sustained the objection and indicated the comparable sales used in the appraisal were in evidence, but that the appraiser's adjustments or value conclusions would not be considered as the appraiser was not present to testify. The board of review's representative reviewed his previously submitted comparable sales and indicated they support the subject's market value. The appellant stated that the board of review's comparables are not located near the subject property.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the subject's square footage is 1,461 square feet and that the best evidence of market value to be the appellant's unadjusted comparable sales #1, #2, and #3. These comparables sold for prices ranging from \$9.77 to \$87.32 per square foot of living area, including land. The subject's assessment reflects a market value of \$82.06 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
