

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dorothy Kepouros
DOCKET NO.: 15-28127.001-R-1
PARCEL NO.: 24-04-105-057-0000

The parties of record before the Property Tax Appeal Board are Dorothy Kepouros, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,430
IMPR.: \$27,570
TOTAL: \$30,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 20-year-old, two-story multi-family apartment building of masonry construction with 4,187 square feet of building area. The property has a 5,400 square foot site and is located in Worth Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on December 6, 2015 for a price of \$300,000. In addition, the appellant submitted information on three suggested equity comparables and three suggested sales comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$27,896.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,707. The subject's assessment reflects a market value of \$337,070 or \$80.50 per square foot of building area, land included, when using the 2015 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on eight suggested equity comparables with sales data on four of those properties.

In written rebuttal, appellant's attorney distinguished the board of review's suggested equity comparables from the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in December 6, 2015 for a price of \$300,000. The appellant provided evidence demonstrating the sale of the subject. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$300,000 as of January 1, 2015. Since market value has been determined the 2015 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2). After a reduction in the assessment, the Board finds the subject property to be equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
