

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Otto Barone  
DOCKET NO.: 15-28179.001-R-1  
PARCEL NO.: 14-07-305-025-0000

The parties of record before the Property Tax Appeal Board are Otto Barone, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,932  
**IMPR.:** \$20,628  
**TOTAL:** \$35,560

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property contains a 127 year-old, two-story apartment building of frame construction with 1,760 square feet of living area. The property has a 4,148 square foot site located in Lake View Township, Cook County. The property is a Class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$350,000 as of January 1, 2015. The appellant requested a total assessment reduction when applying the 2015 three-year average median level of assessment for Class 2 property as determined by the Illinois Department of Revenue. (86 Ill.Admin.Code §1910.50(c)(2)).

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,449. The subject's assessment reflects a market value of \$535,915 when applying the 2015 three-year average median level of assessment of 10.16% for Class 2 property as determined by the Illinois Department of Revenue. (86 Ill.Admin.Code §1910.50(c)(2)). In support of its contention of the correct assessment, the board of review submitted information on four unadjusted suggested sale comparables. The board of review argued that the subject contained more than one improvement and that the appellant's appraisal considered only one of those improvements.

In rebuttal, appellant reaffirmed the request for an assessment reduction.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the board of review did not submit evidence in support of its contention that the subject contained more than one improvement. The appellant submitted an appraisal that disclosed one improvement. The appraiser certified that he personally inspected the subject property. Consequently, the Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the subject property had a market value of \$350,000 as of the assessment date at issue. Since market value has been established, the 2015 three-year average median level of assessment of 10.16% for Class 2 property as determined by the Illinois Department of Revenue shall apply, in accord with the appellant's request. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
