

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mallow Construction LLC
DOCKET NO.: 15-29140.001-R-1
PARCEL NO.: 27-32-104-018-0000

The parties of record before the Property Tax Appeal Board are Mallow Construction LLC, the appellant(s), by attorney George Michael Keane, Jr., of Keane and Keane in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,042
IMPR.: \$42,896
TOTAL: \$47,938

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-year-old, two-story dwelling with 3,671 square feet of living area of frame and masonry construction. Features of the home include a full basement, central air conditioning, a fireplace and a three-car garage. The property has a 10,616 square foot site and is located in Orland Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information the subject was purchased on March 13, 2015 for a price of \$580,000. In addition, the appellant argued the subject was not habitable because it was under construction until March 12, 2015. Therefore, the appellant requested a partial occupancy factor of 81% be applied to the subject's purchase price. In support of this proposition, the appellant submitted a certificate of occupancy of March 12, 2015, a Model Home Application, a HUD

settlement statement, and an affidavit by an agent of appellant corporation attesting to the facts in this case.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,068. The subject's assessment reflects a market value of \$560,680 or \$152.73 per square foot of living area, including land, when applying the 2015 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in March, 2015 for a price of \$580,000. The appellant provided evidence demonstrating the sale of the subject. The Board finds the purchase price is below the market value reflected by the assessment. In addition, the Board finds that the appellant submitted sufficient evidence to establish that an 81% occupancy factor should be applied to the subject's sale price.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
