

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Geary DePue
DOCKET NO.: 15-29961.001-R-1
PARCEL NO.: 30-08-316-024-0000

The parties of record before the Property Tax Appeal Board are Geary DePue, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,860
IMPR.: \$1,040
TOTAL: \$2,900

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half story, single-family dwelling of frame construction. The dwelling is 86 years old. It has a 6,200 square foot site and is located in Thornton Township, Cook County. It is classified as Class 2-03 property under the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$29,000 as of December 13, 2013. The appraisal indicated that the subject property is owner-occupied.

The appellant also provided a settlement statement, Quit Claim Deed and City of Chicago Department of Revenue Transfer Tax Declaration form indicating the appellant paid a total consideration of \$16,000 for the subject property pursuant to a foreclosure. The appellant failed

to provide any other evidence regarding the circumstances of the sales transaction. A packet of 125 sale comparables was also submitted as evidence of overvaluation.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$4,000. The subject's assessment reflects a market value of \$40,000 when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four comparables, each of which reflected sale and equity data.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$29,000 as of the assessment date at issue. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
