

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sheila Miller
DOCKET NO.: 15-30236.001-R-1
PARCEL NO.: 24-10-213-020-0000

The parties of record before the Property Tax Appeal Board are Sheila Miller, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,801
IMPR.: \$19,699
TOTAL: \$23,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of frame and masonry construction with 3,040 square feet of living area. The dwelling is 48 years old. The property has a 8,448 square foot site and is located in Worth Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an attorney letter and evidence showing that the subject sold on June 9, 2014 for \$235,000, or \$77.30 per square foot of living area. This evidence included the PTAX-203 Transfer Tax Declaration showing the appellant purchased the property from Standard Bank Land Trust. The appellant's pleading regarding Section IV- Recent Sale Data was not fully completed but confirmed the closing date, sale price, and that the parties to the transaction were not related. The appellant claims that the subject was advertised for sale on the open market but

PTAX-203 reflects that the subject was advertised for sale. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,618. The subject's assessment reflects a market value of \$306,180 or \$100.71 per square feet of living area including land using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment, the board of review submitted a grid listing four sales comparables. These properties sold from May 2014 to July 2015 for prices ranging from \$92.52 to \$169.35 per square foot of living area, including land. In addition, the board of review submitted a brief showing the property was held in a trust and sold in August 2014. The board of review submitted printouts from the Cook County Recorder of Deeds.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property on June 9, 2014 for a price of \$235,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$235,000 as of January 1, 2015. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
