

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roger Bonnema  
DOCKET NO.: 15-30359.001-R-1  
PARCEL NO.: 29-22-201-026-0000

The parties of record before the Property Tax Appeal Board are Roger Bonnema, the appellant(s), by attorney John S. Xydakis, of the Law Offices of John S. Xydakis in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,806  
**IMPR.:** \$10,377  
**TOTAL:** \$14,183

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 5,940 square foot parcel of land improved with two improvements. These improvements are described as 59 and 68-year old, one-story, masonry, single-family dwellings containing 845 square feet of building area each. The property is located in Thornton Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of the equity argument, the appellant submitted four comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of the subject of \$14,183 with an improvement assessment of \$5,344 or \$6.32 per square foot of building area for improvement #1 and an improvement assessment of \$5,033 or

\$5.96 per square foot of building area for improvement #2. In support of the assessment the board of review submitted four equity comparables for each improvement. In addition, the board of review submitted a supplemental brief asserting that the appellant appealed the assessment of only improvement #1 while using the assessment of both improvements to justify a reduction.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

As to improvement #1, the Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #3 and the board of review's comparables #2, #3, and #4. These comparables had improvement assessments ranging from \$2.26 to \$7.34 per square foot of building area. The subject's improvement assessment of \$6.32 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

As to improvement #2, the Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #3 and the board of review's comparables #2, #3, and #4. These comparables had improvement assessments ranging from \$2.26 to \$7.34 per square foot of building area. The subject's improvement assessment of \$5.96 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
