

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James P. Bartley
DOCKET NO.: 15-30492.001-R-1
PARCEL NO.: 31-36-107-029-0000

The parties of record before the Property Tax Appeal Board are James P. Bartley, the appellant, by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,937
IMPR.: \$258
TOTAL: \$2,195

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a one-story frame dwelling containing 953 square feet of living area. The subject was constructed in 1954 and features a fireplace and a one-car attached garage. Land size was not disclosed. The property is located in Park Forest, Rich Township, Cook County.

The appellant claims overvaluation as the basis of the appeal. In support of this argument the appellant submitted eight comparable sales. The comparables were located in the same neighborhood code as the subject and sold from September 2014 to March 2015 for prices ranging from \$10,000 to \$23,000 or from \$10.54 to \$24.13 per square foot of living area, including land. The appellant submitted the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$4,745, which reflects a market value of approximately \$46,703 or \$49.01 per square foot of living area, including land, using the Cook County Real Property Assessment Classification Ordinance level of assessments for class 2 property of 10.16%.

Based on this evidence the appellant requested the subject's assessment be reduced to \$2,037 based on the evidence submitted.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record are the unadjusted comparable sales submitted by the appellant. No weight was given the adjustments to the comparables submitted by the appellant as the adjustments were not supported herein. The Board further finds appellant's comparables #1, #3, #4, #5 and #6 are most similar to the subject in location, size, design and other features. Comparable #2 was given less weight in the Board's analysis because it appears to be an outlier when compared to the other sales in this record. In addition, less weight was given comparables #7 and #8 based on their dissimilar size. The most similar comparables sold for prices ranging from \$20.99 to \$24.13 per square foot of living area, including land. The Board finds the subject's assessment of \$49.01 per square foot of living area, including land, reflects a market value greater than the best comparables sales in this record.

The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board.

Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$21,600 as of January 1, 2015. Since market value has been determined the (10.16%) level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
