

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharanjit Bhatthal Shaan Properties  
DOCKET NO.: 15-30597.001-R-1  
PARCEL NO.: 31-35-410-033-0000

The parties of record before the Property Tax Appeal Board are Sharanjit Bhatthal Shaan Properties, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,224  
**IMPR.:** \$1,052  
**TOTAL:** \$3,276

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 60 year-old, one-story, single-family dwelling of frame and masonry construction containing 1,092 square feet of living area. The property has a 8,089 square foot site in Rich Township, Cook County. It is a Class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on eight suggested comparable sales and adjustment information in a grid entitled, "Property Equalization Values." The appellant requested a total assessment reduction to \$2,047.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$5,238. The subject's assessment reflects a market value of

\$52,380 or \$47.97 per square foot of living area including land, when applying the 2015 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparables.

In rebuttal, the appellant distinguished the board of review's comparables based on size, sale date, location and amenities. The appellant reaffirmed the request for an assessment reduction and reiterated the argument that appellant's sale comparables were the best evidence of the subject's market value.

At hearing, the board of review objected to the appellant's "Property Equalization Values" grid on the grounds that it was inadmissible hearsay evidence without the person who prepared that grid present at hearing and subject to cross-examination under oath. In response, the appellant's attorney agreed to withdraw the "Property Equalization Values" grid evidence. The Board allowed appellant's withdrawal of the "Property Equalization Values" grid but held that it may consider the appellant's raw, unadjusted sale data reflected on the sales grid. Lastly, the appellant offered into evidence the MLS printout for the board of review's comparable #1. The board of review analyst objected to the appellant's submission of the MLS printout based on relevance. The board of review's objection was overruled and the MLS printout was accepted into evidence and marked as Appellant's Exhibit A.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparables. These comparables are similar in size, age, location, and sale date. These comparables sold for prices ranging from \$12.47 to \$42.04 per square foot of living area, including land. The subject's assessment reflects a market value of \$47.97 per square foot of living area including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
