

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Irwin Brinkmann
DOCKET NO.: 15-31060.001-R-1
PARCEL NO.: 12-24-403-039-0000

The parties of record before the Property Tax Appeal Board are Irwin Brinkmann, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,469
IMPR.: \$22,942
TOTAL: \$28,411

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with 2,051 square feet of living area. Features of the home include a two-and-one-half-car garage. The property has a 4,972 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables. These comparables ranged in size from 1,631 to 1,925 square feet of living area and in age from 70 to 92 years old. The appellant's evidence describes the subject as a frame constructed building. The appellant also submitted the property record card from the Cook County Assessor's Office showing the subject property as a masonry constructed dwelling.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,411. The subject property has an improvement assessment of \$22,942, or \$11.19 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. These comparables ranged in size from 1,934 to 2,020 square feet of living area, and in age from 65 to 90 years old.

At hearing and in rebuttal, the appellant stated that the subject is of masonry construction but he does not object to the board of review's comparables in evidence showing the subject as a frame constructed dwelling. The appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #4 and #5 and the board of review's comparables #1 and #2. These comparables had improvement assessments that ranged from \$11.26 to \$11.71 per square foot of living area. The subject's improvement assessment of \$11.19 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
