

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brandon Dornier
DOCKET NO.: 15-31197.001-R-1
PARCEL NO.: 13-26-120-010-0000

The parties of record before the Property Tax Appeal Board are Brandon Dornier, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,292
IMPR.: \$30,408
TOTAL: \$35,700

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story dwelling of frame construction that is 114 years old. The dwelling is situated on a 3,780 square foot site. The property is located in Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant submitted a closing statement listing the Seller as Triston Group Properties LLC. The appellant's evidence indicates the subject property sold on November 17, 2015 for \$357,000. The property was sold using a Realtor and was listed on the open market for seven months. The appellant also indicated that the transfer was not between family members or a related corporation. The appellant also provided an appraisal valuing the subject at \$360,000 as of October 29, 2015 and a broker's analysis, as evidence that the subject's sale was at fair market value. Based on this evidence, the appellant requested an assessment reduction to \$31,800.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$45,820. The subject's assessment reflects a market value of \$458,020, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted three sale comparables. The grid sheet also reflected the sale of the subject in November 2015 for \$357,000. Based on this evidence, the board requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the sale of the subject for \$357,000. The appellant submitted evidence indicating the parties were not related to each other and the property was sold using a Realtor. Additionally, the appellant's appraisal evidence supports that this sale was at market value. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
