

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joan Parker  
DOCKET NO.: 15-31240.001 -R-1  
PARCEL NO.: 17-09-112-023-0000

The parties of record before the Property Tax Appeal Board are Joan Parker, the appellant(s), by attorney Deborah M. Petro, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,348  
**IMPR.:** \$70,102  
**TOTAL:** \$73,450

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a townhome dwelling of masonry construction. The dwelling was constructed in 1999. The property has a 1,116 square foot site and is located in Chicago, West Chicago Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables. The appellant also states that the subject contains 1,189 square feet of living area. No evidence was submitted regarding calculation of subject's size. In addition, the appellant submitted a 2009 Board decision. Lastly, the appellant submitted two black and white photographs purporting to show the subject is not a three-story dwelling per the assessor.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,450. The subject property has an improvement assessment of

\$70,102 or \$31.45 per square foot of living area based on the subject containing 2,229 square feet of living area per the assessor. In support of the assessment, the board of review submitted four equity comparables and sales data for each comparable.

**Conclusion of Law**

The Board finds that the subject contains 2,229 square feet of living area and three-stories. The appellant did not submit any evidence to support a change in the subject's size such as a building sketch or survey. Furthermore, the angles and subject matter of the black and white photographs do not show the number of the subject's stories. Therefore, the Board finds that the subject is a three-story dwelling containing 2,229 square feet of living area.

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximit and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review's comparables. The comprables are similar in age, location, style, and size, These comparables had improvement assessments that ranged from \$21.41 to \$33.55 per square foot of living area. The subject's improvement assessment of \$31.45 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
