

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mario Lagunas  
DOCKET NO.: 15-31356.001-R-1  
PARCEL NO.: 13-27-200-032-0000

The parties of record before the Property Tax Appeal Board are Mario Lagunas, the appellant(s), by attorney Spiro Zarkos, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,783  
**IMPR.:** \$24,100  
**TOTAL:** \$27,883

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one and one-half story dwelling of masonry construction with 1,538 square feet of living area. The dwelling is 88 years old. The property has a 2,910 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity and overvaluation as the bases of the appeal. In support of the equity argument, the appellant submitted information on four equity comparables. The comparables ranged in improvement assessment per square foot from \$9.46 to \$10.47.

In support of the overvaluation argument, the appellant submitted a two-page limited scope desk appraisal. The appraisal valued the subject property at \$210,000 as of September 8, 2015. The appraisal does not contain any detailed analysis and is illegible in some areas. The comparables

sold in 2015 and ranged: in unadjusted sale price per square foot from approximately \$128 to \$145.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$27,883. The subject property has an improvement assessment of \$24,100, or \$15.67 per square foot of living area. The subject's assessment reflects a market value of \$278,830, or \$181.29 per square foot of living area, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on eight equity comparables ranging in improvement assessment per square foot from \$14.43 to \$24.18.

In support of the market value argument, the board of review submitted information on six comparable sales, ranging in sale price per square foot, including land, from \$115.61 to \$254.50. These sales sold from May 2013 through May 2015.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted on this basis.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #3 and #4, as well as the board of review's comparables #1 through #6. These comparables had improvement assessments that ranged from \$9.46 to \$24.18 per square foot of living area. The subject's assessment of \$15.67 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate by clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment is not justified on this basis.

The appellant also contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board gives no weight to the appraisal's conclusion of value as it contains no analysis for the adjustments of the three sale comparables provided. Additionally, the appraisal is unsigned and barely legible

The Board finds the best evidence of market value to be the board of review's comparables #1, #5 and #6. These comparables sold for prices ranging from \$174.86 to \$254.50 per square foot of living area, including land. The subject's assessment reflects a market value of \$181.29 per square foot, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment is not justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
