

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Conor Casey
DOCKET NO.: 15-31366.001-R-1
PARCEL NO.: 17-06-409-040-1001

The parties of record before the Property Tax Appeal Board are Conor Casey, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,795
IMPR.: \$51,668
TOTAL: \$56,463

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 12-year-old, residential condominium unit located in a three-unit residential building. The property has a 3,223 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted four suggested comparables with sales data on comparables #2, #3, and #4. In addition, the appellant submitted an appraisal estimating another smaller unit in the same building to have a market value of \$424,000 as of September 6, 2016.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,153. The subject's assessment reflects a market value of

\$731,530 when applying the 2015 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted an analysis estimating the market value of the subject property based on the sale of one other unit within the subject building. Based on the percentage of ownership of the unit that sold, the board of review found the full value of the entire building. Multiplying the subject's percentage of ownership by the full value of the building, the board of review found the market value of the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board gives no weight to appellant's appraisal of a different unit within the same building that by appellant's own admission is different in size than the subject itself. The Board finds the best evidence of market value to be appellant's comparable sales #2, #3, and #4. These comparables sold for prices ranging from \$550,000 to \$575,000 per unit. The subject's assessment reflects a market value of \$731,530, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
