

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Verna
DOCKET NO.: 15-32671.001-R-1
PARCEL NO.: 32-09-301-017-0000

The parties of record before the Property Tax Appeal Board are John Verna, the appellant(s), by attorney John S. Xydakis, of the Law Offices of John S. Xydakis in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,178
IMPR.: \$5,974
TOTAL: \$8,152

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 21,780 square foot parcel of land improved with a 93-year old, one and one-half story, frame, single-family dwelling. The property is located in Bloom Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of the equity argument, the appellant submitted four comparables. The appellant lists the subject as containing 956 square feet of living area and included a photograph of the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of the subject of \$8,152 with an improvement assessment of \$5,974 or \$3.30 per square foot of building area when using 1,813 square feet. In support of the assessment the board

of review submitted two equity comparables. The board of review lists the subject as containing 1,813 square feet of living area and included the same picture that the appellant submitted.

Conclusion of Law

As to the subject's size, the Board finds the appellant failed to submit any evidence to support the subject's size as listed by the appellant. Therefore, the Board finds the subject contains 1,813 square feet of building area and has an improvement assessment of \$3.30 per square foot of building area.

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the board of review's comparables. These comparables had improvement assessments of \$4.29 and \$5.12 per square foot of building area. The subject's improvement assessment of \$3.30 per square foot of building area is below the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
