

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: JHT Development, LLP  
DOCKET NO.: 15-33093.001-R-1  
PARCEL NO.: 16-22-220-053-0000

The parties of record before the Property Tax Appeal Board are JHT Development, LLP, the appellant, by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,326  
**IMPR.:** \$28,391  
**TOTAL:** \$31,717

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 3-story multi-family dwelling of masonry construction on a slab foundation. The 7 year old dwelling contains 3,725 square feet of living area and features central air conditioning. The property is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables. The comparables had features with varying degrees of similarity when compared to the subject. The dwellings range in size from 3,582 to 3,744 square feet of living area and have improvement assessments ranging from \$16,700 to \$17,196 or from \$4.59 to \$4.70 per square foot of living area. The appellant requested the total assessment be reduced to \$20,665.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,717. The subject property has an improvement assessment of \$28,391 or \$7.62 per square foot of living area. In support of this argument the board of review submitted information on four equity comparables. The comparables had features with varying degrees of similarity when compared to the subject. The dwellings range in size from 3,732 to 3,882 square feet of living area and have improvement assessments ranging from \$28,445 to \$31,276 or from \$7.62 to \$8.11 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be all nine of the comparables submitted by both parties. These comparables were similar to the subject in style, construction, age, size and location. The comparables had improvement assessments that ranged from \$4.59 to \$8.11 per square foot of living area. The subject's improvement assessment of \$7.62 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
