

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sharon Powills
DOCKET NO.: 15-34389.001-R-1
PARCEL NO.: 14-33-301-086-0000

The parties of record before the Property Tax Appeal Board are Sharon Powills, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 26,136
IMPR.: \$120,909
TOTAL: \$147,045

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements on one parcel of land with a lot size of 2,904 square feet. Improvement #1 is a two-story, class 2-11 multi-family dwelling of masonry construction with 1,960 square feet of living area. The dwelling is 123 years old. Improvement #2 is a one-story, masonry, single family home, classified as 2-02 property, with 506 square feet of living area. The property is located in North Chicago Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables for the subject property's Improvement #1. The appellant failed to submit any equity comparables for the subject's Improvement #2.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$147,045 was disclosed. The improvement assessment for Improvement #1 was \$86,724, or \$44.25 per square foot. In support of the subject's assessment for Improvement #1, the board of review submitted descriptive and assessment information for four properties suggested as comparable to the subject, two of which reflected sale data.

The improvement assessment for Improvement #2 was \$34,185, or \$67.56 per square foot. In support of the subject's assessment for Improvement #2, the board of review submitted descriptive and assessment information for one property suggested as comparable to the subject.

In written rebuttal, the appellant distinguished the board of review's comparables from the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be the appellant's comparables #1 through #3, as well as the board of review's comparable #1. These comparables had improvement assessments that ranged from \$15.85 to \$45.62 per square foot of living area. The subject's improvement assessment for Improvement #1 of \$44.25 per square foot of living area falls within the range established by the best comparables in this record.

The Board finds the best evidence of assessment equity for Improvement #2 to be the board of review's comparable #1. As the appellant failed to submit any comparables for Improvement #2, the Board finds there is no range of comparables with which to compare the subject property.

Based on the evidence contained in this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvements were inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
