

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Swartz
DOCKET NO.: 15-34515.001-R-1
PARCEL NO.: 16-14-408-027-0000

The parties of record before the Property Tax Appeal Board are Stephen Swartz, the appellant(s), by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,937
IMPR.: \$3,563
TOTAL: \$7,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-family building of frame and masonry construction. The dwelling is approximately 104 years old. The property has a 3,750 square foot site and is located in West Chicago Township, Cook County.

The appellant argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal. In support of the market value argument, the appellant submitted an appraisal estimating the subject property had a market value of \$75,000 as of September 18, 2015. The appraiser indicated that the subject property is not owner-occupied. The appellant requested an assessment reduction to \$7,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,055. The subject's assessment reflects a market value of

\$200,550 when using the 2015 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted four equity comparables. The board's grid sheet also reflected the sale of the subject in December 2012 for \$117,414.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant as its valuation date is January 1, 2015. Therefore, the Board finds the subject property had a market value of \$75,000 as of the assessment date at issue. Since the market value has been determined, the assessment level of 10% as established by the Cook County Real Property Classification Ordinance shall apply and an assessment reduction will be granted to the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
