

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan Langley Blue River Holdings LLC
DOCKET NO.: 15-34800.001-R-1
PARCEL NO.: 16-10-406-011-0000

The parties of record before the Property Tax Appeal Board are Dan Langley Blue River Holdings LLC, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,400
IMPR.: \$100
TOTAL: \$1,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject parcel is improved with a one-story frame single-family dwelling. The dwelling is 117 years old and contains 924 square feet of living area on a slab foundation. The subject features a one-car garage. The property is located in neighborhood 102 in Chicago, West Chicago Township, Cook County and is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. The appellant completed Section IV - Recent Sale Data of the appeal indicating the subject was purchased on October 5, 2015 for \$15,000. The purchase was made through a realtor, from the owner of record, and was not between family or related corporations. The property was advertised for sale through the Multiple Listing Service. The appellant submitted a Settlement Statement disclosing the purchase date and price and that the seller was a ministry. The appellant also submitted an MLS

Listing Sheet indicating the property was a “handyman special”, the subject’s original listing price on July 22, 2015 was \$11,000 and the subject was on the market 43 days. The appellant also submitted a Listing and Property History Report indicating the subject’s asking price was raised to \$17,000 on August 28, 2015. Based on this evidence the appellant requested the total assessment be reduced to \$1,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,625. The subject's assessment reflects a market value of approximately \$76,250 or \$82.52 per square foot of living area, land included, when applying the Cook County Real Property Assessment Ordinance level of assessment for class 2 property.

In support of the subject’s assessment the board of review submitted three comparables.¹ The comparables had varying degrees of similarity as compared to the subject. They sold from November 2014 to November 2015 for prices ranging from \$112,000 to \$197,500 or from \$124.44 to \$207.02 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, counsel for the appellant states the board of review does not dispute the recent sale of the subject, nor does it provide any evidence that the recent sale was not valid.

Conclusion of Law

The taxpayer contends overvaluation as the basis of the appeal. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment based on overvaluation is warranted.

The Board finds the appellant completed Section IV of the Appeal Form and submitted a Settlement Statement and an MLS Listing Sheet disclosing the subject property was purchased from a ministry in October 2015 for \$15,000. The subject was on the market 43 days. The Board finds the purchase was an arm's length transaction which was not refuted by the board of review. The Board gave less weight to the comparables submitted by the board of review. The Board finds the appellant has proven by a preponderance of the evidence that the subject is overvalued, and a reduction in the subject's assessment commensurate with the appellant's request is warranted.

¹ Board of review comparables #3 and #4 are the same property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
