

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Malgorzata Waszak
DOCKET NO.: 15-34960.001-R-1
PARCEL NO.: 13-05-433-030-0000

The parties of record before the Property Tax Appeal Board are Malgorzata Waszak, the appellant(s), by attorney Spiro Zarkos, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,720
IMPR.: \$31,280
TOTAL: \$35,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,100 square foot parcel of land improved with a 25-year old, two-story, masonry, multi-family dwelling containing 3,530 square feet of building area. The property is located in Jefferson Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the equity argument, the appellant submitted four comparables. In support of the overvaluation argument, the appellant submitted a copy of the settlement statement disclosing that the subject sold in May 2014 for \$350,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of the subject of \$42,938 with an improvement assessment of \$39,218 or \$11.11 per

square foot of building area. In support of the assessment the board of review submitted four equity comparables. In addition, the board of review lists the sale of the subject in May 2014 for \$350,000.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in May 2014 for a price of \$350,000. The appellant provided evidence demonstrating the sale of the subject. The Board finds the board of review did not present any evidence to challenge the arm's-length nature of the transaction and in fact, included the sale in its evidence. Based on this record the Board finds the subject property had a market value of \$350,000 as of January 1, 2015 and that a reduction in the subject's assessment is justified. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. The Board further finds that the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
