

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maureen Nash  
DOCKET NO.: 15-35164.001-R-1  
PARCEL NO.: 13-16-309-014-0000

The parties of record before the Property Tax Appeal Board are Maureen Nash, the appellant(s), by attorney Spiro Zarkos, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,875  
**IMPR.:** \$28,025  
**TOTAL:** \$32,900

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 22 year-old, two-story dwelling of frame and masonry construction containing 2,045 square feet of living area. Features of the home include a full finished basement and a two-car garage. The property has a 3,750 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased on September 16, 2015 for a price of \$329,000. The appellant also submitted copies of: the warranty deed; commitment for title insurance; a residential real estate contract; and an appraisal estimating the subject's market value was \$329,000 as of August 18, 2015. The appraisal disclosed the subject was vacant. Based on this evidence, the appellant requested a reduction in the subject's

assessment to reflect the purchase price when applying the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,999. The subject's assessment reflects a market value of \$469,990 when applying the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with sale information on one comparable. In addition, the board of review listed the sale of the September 2015 for \$329,000.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in August 2015 for a price of \$329,000. The appellant provided evidence demonstrating the sale had the elements of an arm's-length transaction. The Board finds the board of review did not present any evidence to challenge the arm's-length nature of the transaction and in fact, included the sale in its evidence. Based on this record the Board finds the subject property had a market value of \$329,000 as of January 1, 2015 and that a reduction in the subject's assessment is justified. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
