

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Magdalena Pohl
DOCKET NO.: 15-35599.001-R-1
PARCEL NO.: 13-26-208-032-0000

The parties of record before the Property Tax Appeal Board are Magdalena Pohl, the appellant(s), by attorney Brandon Eichhorn, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,779
IMPR.: \$47,245
TOTAL: \$53,024

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements on one parcel of land. Improvement #1 is a two-story dwelling of frame construction with 2,745 square feet of living area. The dwelling is 107 years old. No description was provided for Improvement #2. The property has a 4,128 square foot site and is located in Jefferson Township, Cook County. The subject is classified as Class 2 property under the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six suggested comparable sales and adjustment information. The appellant requested a total assessment reduction to \$22,931. The appellant neglected to note that there are two improvements on the subject property.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$53,024. The subject's assessment reflects a market value of \$530,240, when applying the level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on a total of eight suggested equity comparables,

In written rebuttal, the appellant argued that board of review's comparables did not address the appellant's market value argument. The appellant also requested that the Board use the median sale price per square foot of the best comparables in the record in determining whether the subject is overvalued.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board rejects the appellant's argument that the Board should use the median sale price per square foot of the best comparables in the record in ascertaining whether the subject is overvalued as this argument was only raised during rebuttal, and, therefore, the board of review was not granted an opportunity to challenge this argument. As such, this argument was not made timely. 86 Ill.Admin.Code §1910.66(c) ("Rebuttal evidence shall not consist of new evidence such as an appraisal or newly discovered comparable properties. A party to the appeal shall be precluded from submitting its own case in chief in the guise of rebuttal evidence.").

The Board further finds that neither party submitted the square footage of living area for Improvement #2, nor the improvement assessment breakdown for each improvement. Accordingly, the appellant has not proven by a preponderance of the evidence that the subject is overvalued a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
