

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Morris
DOCKET NO.: 15-35995.001-R-1
PARCEL NO.: 17-06-121-011-0000

The parties of record before the Property Tax Appeal Board are David Morris, the appellant(s), by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,748
IMPR.: \$61,055
TOTAL: \$79,803

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property contains two residential improvements situated on one parcel. Improvement #1 is a 112 year-old, two-story dwelling of masonry construction containing 1,560 square feet of living area. Features of the home include a full unfinished basement and central air conditioning. Improvement #2 is a 114 year-old, two-story dwelling of masonry construction containing 2,576 square feet of living area. Features of the home include a full unfinished basement. The property has a 4,687 square foot site located in North Chicago Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on eight suggested equity comparables only for Improvement #2. The appellant did not submit information on Improvement #1. However, the

appellant also listed the total for both improvement assessments when calculating the improvement assessment per square foot of Improvement #2. The appellant requested a total assessment reduction to \$71,092.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the incorrect total and improvement assessments for the subject. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables for each of the two improvements.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to provide correct documentation of the assessments for the assessment year in question. The entire record does not contain the correct assessment information since both the appellant and the board of review did not provide the improvement assessments for each of the two improvements. "Under the burden of going forward, the contesting party must provide substantive documentary evidence or legal argument sufficient to challenge the correctness of the assessment of the subject property." 86 Ill.Admin.Code §1910.63(b). The appellant did not provide such evidence. Therefore, based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
