

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Davis Morris
DOCKET NO.: 15-36002.001-R-1
PARCEL NO.: 17-06-112-020-0000

The parties of record before the Property Tax Appeal Board are Davis Morris, the appellant(s), by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,848
IMPR.: \$52,856
TOTAL: \$69,704

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with two improvements. Improvement #1 is an apartment building which consists of a two-story structure of masonry construction with 2,160 square feet of living area. This building is approximately 120 years old. Improvement #2 is a one-story single-family dwelling. The property has a 4,212 square foot site and is located in West Chicago Township, Cook County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. The appellant did not provide any descriptive data with respect to Improvement #2 nor did the appellant have a separate equity comparison analysis for this building. For Improvement #1, the appellant submitted information on four equity comparables with improvement assessments that ranged from \$17.25 to \$23.32 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,704. Improvement #1 has an improvement assessment of \$35,398 or \$16.38 per square foot of living area. Improvement #2 has an improvement assessment of \$17,458. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The board of review stated that no comparables were available for Improvement #2 in the subject's neighborhood.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

For Improvement #1, the Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 and the board of review's comparables. These comparables had improvement assessments that ranged from \$23.32 to \$25.15 per square foot of living area. The subject's improvement assessment of \$16.38 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

For Improvement #2, the Board finds that the appellant incorrectly described the property as being improved with one building and attributed the entire improvement assessment to Improvement #1. No descriptive information regarding the characteristics of Improvement #2 was provided by either party. Therefore, no reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
