

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Smith
DOCKET NO.: 15-36107.001-R-1
PARCEL NO.: 14-33-107-021-0000

The parties of record before the Property Tax Appeal Board are Susan Smith, the appellant, by attorney Edward P. Larkin in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,000
IMPR.: \$150,800
TOTAL: \$177,800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a three-story dwelling of masonry construction with 4,455 square feet of living area. The dwelling is approximately 8 years old. Features of the property include a full unfinished basement, central air conditioning, one fireplace and a two-car detached garage. The property has a 3,000 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance (Ordinance).

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables improved with two-story single family dwellings of masonry construction that range in size from 3,840 to 4,942 square feet of living area. The dwellings range in age from 4 to 58 years old. Two comparables have a full basement with one having finished area, each comparable has central air conditioning, two comparables have one or two fireplaces and each

comparable has a two-car or a three-car garage. Each property has the same assessment classification code and neighborhood code as the subject property. These properties have improvement assessments ranging from \$119,453 to \$149,703 or from \$30.29 to \$33.85 per square foot of living area. The subject property has an improvement assessment of \$223,641 or \$50.20 per square foot of living area. Based on this evidence the appellant requested the subject's improvement assessment be reduced to \$32.25 per square foot of living area.

The appellant also submitted a copy of the decision by the board of review disclosing the total assessment of the subject property of \$250,641.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of assessment equity to be the comparables submitted by the appellant. These comparables have improvement assessments that range from \$30.29 to \$33.85 per square foot of living area. The subject's improvement assessment of \$50.20 per square foot of living area falls above the range established by the best comparables in this record. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
