

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin and Ellen Metz  
DOCKET NO.: 15-36247.001-R-1  
PARCEL NO.: 17-06-326-029-0000

The parties of record before the Property Tax Appeal Board are Kevin and Ellen Metz, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,736  
**IMPR.:** \$54,760  
**TOTAL:** \$63,496

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of three-story, apartment building of masonry construction with 3,735 square feet of living area. Features of the dwelling include a full unfinished basement, three bathrooms, and a two car garage. The dwelling was constructed in 1910. The property has a 2,912 square foot site and is located Chicago, West Chicago Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables.

The appellant contends overvaluation as the basis of the appeal. The appellant's pleadings regarding Section IV- Recent Sale Data stated that the subject was purchased on October 1, 2014 for 690,000 plus \$8,000 renovation costs. The pleadings also stated that the subject was advertised for sale via a multiple listing for one month. No further evidence was submitted supporting the sale of the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,159. The subject property has an improvement assessment of \$50,423 or \$13.50 per square foot of living area. In support of the assessment, the board of review submitted four equity comparables and sales data for comparables #2 and #4.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Regarding the appellant's equity argument, the Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review's comparables #1 and #2. These comparables had improvement assessments that ranged from \$11.24 to \$14.50 per square foot of living area. The subject's improvement assessment of \$13.50 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant did not submit any evidence supporting the sale of the subject in October 2014. The appellant did not submit any evidence demonstrating the sale had the elements of arm's length transaction such as copies of the settlement statement, real estate contract, transfer tax declaration, and/or listing sheet. Therefore, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
