

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laura L. Llamedo  
DOCKET NO.: 15-36501.001-R-1  
PARCEL NO.: 16-02-212-049-0000

The parties of record before the Property Tax Appeal Board are Laura L. Llamedo, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,233  
**IMPR.:** \$21,723  
**TOTAL:** \$28,956

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of three improvements on one parcel of land. Improvement #1 and Improvement #2 each consist of a three-story, multi-family dwelling. Improvement #3 is a one and one-half story, single-family residence. The property has a total living square footage of 8,966. The subject has a 5,787 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$285,000 as of January 1, 2014. The appellant also submitted an appraiser's letter that states the subject's market value on January 1, 2015 is substantially the same as the market value indicated in the

appraisal. In addition, the appellant submitted information that the subject sold in in November 2013 for a price of \$285,000. The appellant requested an assessment of \$28,301.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$57,305. The subject's assessment reflects a market value of \$564,026 or \$62.91 per square foot of living area, including land, when applying the 2015 three-year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.16% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables.

In written rebuttal, the appellant stated the board of review did not submit comparable sales.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The appraiser's opinion of value is supported by the sale of the subject property in November 2013. The Board finds the subject property had a market value of \$285,000 as of the assessment date at issue. Since market value has been established the 2015 three-year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.16% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
