

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan E. Sharknas  
DOCKET NO.: 15-36538.001-R-1  
PARCEL NO.: 32-17-423-028-0000

The parties of record before the Property Tax Appeal Board are Dan E. Sharknas, the appellant(s), by attorney Brandon Eichhorn, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 1,499  
**IMPR.:** \$12,158  
**TOTAL:** \$13,657

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of frame construction with 1,406 square feet of living area. The dwelling is seven years old. The property has a 4,997 square foot site, and is located in Bloom Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance. The appellant did not submit any evidence as to owner-occupancy.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on March 6, 2015 for a price of \$36,700, or \$26.10 per square foot of living area. The settlement statement and MLS printout submitted by the appellant both state that the seller was the Federal National Mortgage Association ("Fannie Mae"). Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$13,657. The subject's assessment reflects a market value of \$136,570, or \$97.13 per square foot of living area, including land, when applying the 2015 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted three comparables reflecting both equity and sale data. These comparables sold between January 2012 and September 2015 for sale prices ranging from \$175,000 to \$190,000, or \$98.26 to \$117.87 per square foot of living area, including land.

In written rebuttal, the appellant argued that the board of review's evidence was non-responsive to the appellant's argument.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the sale of the subject in March 2015 for \$36,700 was a "compulsory sale." A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. The Board finds that the sale of the subject is a compulsory sale, in the form of a foreclosure, based on the settlement statement and MLS printout submitted by the appellant, which both list Fannie Mae as the seller. See 12 U.S.C. § 1723a(a) (authorizing Fannie Mae to acquire property in the event of a default or a foreclosure); Kimbrell v. Fed. Hous. Fin. Agency, 682 F. App'x. 486, 487 (7th Cir. 2017) (stating that Fannie Mae foreclosed upon a property located in Peoria, Illinois). See generally, Fed. Nat'l Mortg. Ass'n v. City of Chi., 2017 WL 4875785, 1 (7th Cir. 2017) ("When a borrower defaults, . . . Fannie Mae . . . forecloses and takes title to the real estate securing the loan.").

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2012 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

However, the Illinois General Assembly has provided guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sales of comparable properties submitted by the parties to revise and/or correct the subject's assessment. Id. In considering the compulsory sale of the subject, the Board may look to the market value evidence submitted by the parties to determine whether the purchase price was at the subject's fair market value. 86 Ill.Admin.Code §1910.65(c). Such evidence may consist of the sales of comparables properties. 86 Ill.Admin.Code §1910.65(c)(4); see, Calumet Transfer, LLC v. Ill. Prop. Tax Appeal Bd., 401 Ill.App.3d 652, 655-56 (1st Dist. 2010) (“[The Board] allowed the [intervenor] to challenge the arm's-length nature of the transaction by offering evidence of comparable property sales. This was permissible under paragraph (4) of section 1910.65(c).”)

In the instant appeal, the board of review submitted information on three comparable sales. The Board finds board of review comparables to be most similar to the subject, as the appellant failed to submit any sale comparables for the Board's review. These comparables sold for prices ranging from \$98.26 to \$117.87 per square foot of living area, including land. The subject's sale price reflects a market value of \$26.10 per square foot of living area, including land, which is below the range established by the best comparables in this record. Moreover, the subject's assessment reflects a market value of \$97.13 per square foot, including land, which is also below the range established by the best comparables in this record. Therefore, the Board finds that the sale of the subject in March 2015 for \$36,700 was below the subject's fair market value. Since there is no other market value evidence proffered by the appellant, the Board finds that the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
