

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sam Theofanopoulos/TNT Property Management
DOCKET NO.: 15-36590.001-R-1
PARCEL NO.: 32-29-207-034-0000

The parties of record before the Property Tax Appeal Board are Sam Theofanopoulos/TNT Property Management, the appellant(s), by attorney Brandon Eichhorn, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,475
IMPR.: \$1,125
TOTAL: \$3,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction that is 116 years old. The dwelling contains 1,836 square feet of living area and is situated on a 9,000 square foot site. The property is located in Bloom Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant submitted a settlement statement listing the Seller as Carmen Teniente and the Purchaser as TNT Property Management LLC. The appellant's evidence indicates the subject property sold on October 10, 2014 for \$36,000, or \$19.61 per square foot, including land. The property was sold using a Realtor. Based on this evidence, the appellant requested an assessment reduction to \$3,600.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,464. The subject's assessment reflects a market value of \$64,640, or \$35.21 per square foot, including land, when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on three sale comparables. They ranged in sale price per square foot from \$13.17 to \$18.76. The grid sheet also reflected the sale of the subject in October 2014 for \$36,000. Based on this evidence, the board requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued that the board of review's evidence was non-responsive to the appellant's argument.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the sale of the subject for \$36,000. The appellant submitted evidence indicating the property was sold using a Realtor and there was no evidence from either party that indicated the sale was a short sale or a foreclosure. Additionally, the board of review's sale comparables support the fact that the subject's sale price was at market value. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
