

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rowen Bell
DOCKET NO.: 15-36691.001-R-1
PARCEL NO.: 13-36-416-043-1003

The parties of record before the Property Tax Appeal Board are Rowen Bell, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,036
IMPR.: \$36,464
TOTAL: \$38,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a residential condominium unit with a 15.08% ownership interest in the common elements. It is situated in a six-unit, nine-year-old, multi-story building of masonry construction. The property has a 6,002 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on August 20, 2015 for a price of \$385,000. The appellant's evidence indicated that the property was advertised for sale on the open market. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on two suggested comparable sales in the building, one of which was the subject unit from 2011. The other sale occurred in 2013. They sold for a total consideration of \$884,000. The board of review deducted a personal property allowance and disclosed the units sold consisted of 32.88% of all units in the building. The result yielded a full value of the property of \$2,607,791. Since the subject comprised 15.08% of all the units in the building, the board of review suggested the market value of the subject to be \$393,255.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the sale of the subject in 2015 for \$385,000. The appellant submitted evidence indicating the property was sold using a Realtor. Additionally, there was no evidence from either party that indicated the sale was a short sale or a foreclosure. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance shall apply, per the appellant's request. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
