

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William O'Neill  
DOCKET NO.: 15-36695.001-R-1  
PARCEL NO.: 17-17-310-027-0000

The parties of record before the Property Tax Appeal Board are William O'Neill, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$22,680  
**IMPR.:** \$76,554  
**TOTAL:** \$99,234

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of two residential improvements on one parcel of land. Improvement #1 is a two-story dwelling of masonry construction with 6,061 square feet of living area. It is 124 years old. Improvement #2 is a two-story, masonry dwelling that is 124 years old. It contains 2,880 square feet of living area. The property has a 7,560 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to the subject's owner-occupancy.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables for Improvement #1. No equity comparables were submitted for Improvement #2.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$99,234 was disclosed. In support of the subject's assessment for Improvement #1, the board of review submitted descriptive and assessment information for two properties suggested as comparable to the subject.

In support of the subject's assessment for Improvement #2, the board of review submitted descriptive and assessment information for three properties suggested as comparable to the subject.

Neither party submitted a breakdown of the improvement assessments.

No written rebuttal was submitted by either party.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that neither party submitted a breakdown of the improvement assessment allocated to each Improvement. As such the Board is unable to determine the level of comparability of the suggested comparables to the subject property. Based on the evidence contained in this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvements were inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
