

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eugene & Emilia Rosypal
DOCKET NO.: 15-36727.001-R-1
PARCEL NO.: 16-04-400-031-0000

The parties of record before the Property Tax Appeal Board are Eugene & Emilia Rosypal, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,835
IMPR.: \$3,489
TOTAL: \$6,324

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one and one-half story dwelling of masonry construction with 1,488 square feet of living area. The dwelling is 95 years old. The property has a 3,780 square foot site, and is located in West Chicago Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner occupied.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four sale comparables. These comparables sold between January 2014 and September 2014 for prices ranging from \$23.44 to \$33.88 per square foot of living area, including land. Based on this evidence, the appellants requested a reduction in the subject's assessment to \$3,490.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,293. The subject's assessment reflects a market value of \$142,930, or \$96.06 per square foot of living area, including land, when applying the 2016 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, one of which reflected sale data. It sold in May 2013 for a sale price of \$52.43 per square foot of living area, including land.

In rebuttal, the appellants' attorney argued that the board of review's equity comparables did not address the appellants' market value argument, and that the board's only sale comparable supported a reduction.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellants' comparables #1 through #4, as well as the board of review's comparable #3, as they were most similar to the subject in size, location and amenities. These comparables sold for prices ranging from \$23.44 to \$52.43 per square foot of living area, including land. The subject's assessment reflects a market value of \$96.06 per square foot of living area, including land, which is above the range established by the best comparables in this record. Based on this record, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
