

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bryan Bethel
DOCKET NO.: 15-36805.001-R-1
PARCEL NO.: 17-06-423-063-1001

The parties of record before the Property Tax Appeal Board are Bryan Bethel, the appellant, by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,554
IMPR.: \$47,446
TOTAL: \$52,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential condominium of masonry exterior construction. The dwelling is approximately nine years old. The property is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's attorney did not complete Section 2d of the Residential Appeal form and did not indicate the basis of the appeal. However, in Section IV-Recent Sale Data of the appeal form, counsel submitted evidence indicating the appeal was based on overvaluation. In support of this argument the appellant disclosed the subject was purchased on April 17, 2015 for a price of \$520,000 and had been advertised for sale as set forth in Section IV-Recent Sale Data of the appeal petition. To document the sale, the appellant submitted a copy of the Settlement

Statement revealing the amount of Broker's Fees paid at settlement. Based on this evidence, the appellant requested the total assessment be reduced to \$52,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,648. The subject's assessment reflects a market value of \$636,480 when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of the subject's assessment, the board of review submitted a condominium analysis report which included one sale. The condominium sold November 1, 2013 for a price of \$435,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In a memo, counsel for the appellant contends that the board of review did not dispute the subject's arm's length transaction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in April 2015 for a sale price of \$520,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related. In further support of the transaction the appellant submitted a copy of the Settlement Statement revealing the amount of Broker's Fees paid at settlement. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject's assessment is not reflective of market value and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
