

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Heather Just
DOCKET NO.: 15-37335.001-R-1
PARCEL NO.: 13-12-103-098-0000

The parties of record before the Property Tax Appeal Board are Heather Just, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,562
IMPR.: \$42,536
TOTAL: \$52,098

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of masonry construction. The dwelling is approximately 65 years old. It has a 5,625 square foot site and is located in Jefferson Township, Cook County. It is classified as Class 2-06 property under the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$440,000 as of May 9, 2013. The appraisal indicates that the subject property is owner-occupied. The copy of the appraisal submitted by the appellant, however, contains only the odd-numbered pages. As such, a majority of the evidence and analysis is missing.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,098. The subject's assessment reflects a market value of \$520,980 when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, one of which reflected sale data. The sale of the subject in June 2013 for \$438,000 was also reflected on the grid sheet.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to submit a complete copy of the appraisal as it contains only the odd-numbered pages. As the Board cannot evaluate the complete appraisal, the appellant has failed to prove by a preponderance of the evidence that the subject is overvalued, and a reduction in the subject's assessment is not warranted..

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
