

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ario Tabrizi  
DOCKET NO.: 15-37618.001-R-1  
PARCEL NO.: 17-06-406-049-1007

The parties of record before the Property Tax Appeal Board are Ario Tabrizi, the appellant(s), by attorney Adam E. Bossov, of the Law Offices of Adam E. Bossov, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 1,137  
**IMPR.:** \$13,363  
**TOTAL:** \$14,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of one residential condominium unit located in an eight-unit condominium building. The unit is owner-occupied. The building has a 3,217 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal which estimated the subject property had a market value of \$150,000 as of March 1, 2012.

In further support of this argument the appellant submitted information evidence showing the property sold on February 16, 2012 for \$145,000. This evidence included a copy of the Multiple

Listing Service printout, the settlement statement showing realtor commission was paid, and a copy of the warranty deed.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,408. The subject's assessment reflects a market value of \$214,080, when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment, the board of review submitted a sales analysis using the sale of unit ending in -1003, in the building, which sold in 2014 for a price of \$263,000. The analysis indicated that the full value of the subject unit is \$241,092. Based on this analysis, the board of review requested that the subject's assessment be confirmed.

In rebuttal, the appellant's attorney restated his market value argument.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property on February 16, 2012 of \$145,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The Board finds the purchase price is below the market value reflected by the assessment and is supported by the appraisal submitted by the appellant. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$145,000 as of January 1, 2015. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
