

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kujtim Shero  
DOCKET NO.: 15-38480.001-C-1 through 15-38480.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Kujtim Shero, the appellant, by attorneys Arnold G. Siegel and Max E. Callahan of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
15-38480.001-C-1	13-14-300-035-0000	10,004	24,014	\$34,018
15-38480.002-C-1	13-14-300-036-0000	4,982	0	\$4,982

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story mixed-use building of masonry construction with 5,376 square feet of gross building area. The building was constructed in 1912 with two commercial/warehouse units on the first floor and two apartments on the second floor. The commercial units consist of a restaurant and a heating and air condition shop with a warehouse. The property has a full unfinished basement used for storage. Each unit has a gas forced air furnace and central air conditioning. The property has a 7,493 square foot site and is located in Chicago, Jefferson Township, Cook County. The property is classified as a class 2-12 mixed use commercial/residential building under the Cook County Real Property Assessment Classification Ordinance (Ordinance).

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$390,000

as of January 1, 2015. The appraisal was prepared by Robert A. Flood, an Illinois Certified General Real Estate Appraiser, and was reviewed and approved by George K. Stamas, an Illinois Certified General Real Estate Appraiser. In estimating the market value of the subject property, the appraiser developed the sales comparison approach to value using 5 comparable sales that sold from May 2012 to November 2013 for prices ranging from \$200,000 to \$312,000 or from \$47.27 to \$76.45 per square foot of building area including land. After considering differences between the comparables and the subject property, the appraiser estimated the subject property had a market value of \$72.50 per square foot of building area, including land, for a total value of \$390,000, rounded.

The appellant submitted a copy of the final decision issued by the board of review wherein the subject property had a total assessment of \$53,331, which reflects a market value of \$533,310 when applying the Ordinance level of assessments for class 2-12 property of 10%. Based on this evidence the appellant requested the subject's assessment be reduced to \$39,000 to reflect the appraised value.

The board of review did not timely submit its "Board of Review Notes on Appeal" and evidence in support of its assessed valuation of the subject property.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value timely submitted to be the appraisal submitted by the appellant estimating the subject property had a market value of \$390,000 as of January 1, 2015. The subject's assessment reflects a market value above the appraised value presented by the appellant. The board of review did not timely submit its evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
