

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edwin E. Muniz
DOCKET NO.: 15-38513.001-C-1 through 15-38513.003-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Edwin E. Muniz, the appellant, by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
15-38513.001-C-1	13-22-323-039-0000	4,370	169	\$4,539
15-38513.002-C-1	13-22-323-040-0000	8,173	1,317	\$9,490
15-38513.003-C-1	13-22-323-041-0000	4,940	18,031	\$22,971

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to Section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with three contiguous parcels which contain a part one-story and part two-story commercial and residential building of masonry and frame exterior construction which is approximately 76 years old. The subject has 6,099 square feet of building area and is situated on a 13,450 square foot site. The subject property is a Class 2-12 and Class 2-90 property under the Cook County Real Property Assessment Classification Ordinance and is located in Chicago, Jefferson Township, Cook County, Illinois.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuations. In support of the overvaluation argument, the appellant submitted an appraisal estimating the subject property had a market value of \$370,000 as of January 1, 2015. The appraiser developed the sales approach and the income approach to value in arriving at the

final opinion of value. The appellant also submitted the final decision issued by the Cook County Board of Review showing the subject's 2015 final assessment of all three parcels combined of \$53,714, which reflects an estimated market value of \$537,140 using the level of assessment for Class 2 property of 10%. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any timely evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in this record is the appraisal submitted by the appellant estimating the subject property had a market value of \$370,000 as of January 1, 2015. The Board finds the subject's assessment reflects a market value of \$537,140, which is greater than the appraisal submitted by the appellant. The board of review did not timely submit evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a)). Therefore, the board of review is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.69(a)). Based on this record, the Board finds a reduction in the subject's assessment commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
