

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Schorsch Village
DOCKET NO.: 15-38559.001-R-1
PARCEL NO.: 13-19-331-077-0000

The parties of record before the Property Tax Appeal Board are Schorsch Village, the appellant, by attorney Patrick J. Cullerton of Thompson Coburn LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,238
IMPR.: \$16,012
TOTAL: \$36,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story masonry constructed single-tenant commercial building with 2,812 square feet of building area. The building was constructed in 1957. The building has one bathroom, two gas furnaces and central air conditioning. The property has a 4,992 square foot site with three asphalt paved parking spaces. The property is in Chicago, Jefferson Township, Cook County. The property is classified as a class 4-97 not for profit special structure under the Cook County Real Property Assessment Classification Ordinance (Ordinance), which has a level of assessment of 25%.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$145,000 as of January 1, 2015. The appraisal was prepared by George B. Koumbis, an Illinois Certified Residential Appraiser, and reviewed and approved by George K. Stamas, an Illinois Certified

General Real Estate Appraiser. In estimating the market value of the subject property, the appraiser developed the income capitalization approach to value and the sales comparison approach to value.

The appellant also submitted a copy of the decision issued by the Cook County Board of Review establishing a total assessment for the subject property of \$62,005, which reflects a market value of \$248,020 when applying the Ordinance level of assessment for class 4-97 property of 25%. Based on this evidence the appellant requested the subject's assessment be reduced to \$36,250 to reflect the appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value to be the appraisal submitted by the appellant estimating the subject property had a market value of \$145,000 as of January 1, 2015. The subject's assessment reflects a market value above the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a). The Board has examined the information submitted by the appellant and finds that it supports a reduction in the assessed valuation of the subject property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
