

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Dolemba
DOCKET NO.: 15-39423.001-R-1
PARCEL NO.: 25-31-110-007-0000

The parties of record before the Property Tax Appeal Board are Scott Dolemba, the appellant(s), by attorney Anthony M. Farace, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,018
IMPR.: \$ 8,382
TOTAL: \$ 10,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 5,362 square feet of living area. The dwelling is 51 years old. Features of the home include a full finished basement. The property has a 4,750 square foot site, and is located in Blue Island, Calumet Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's brief states that it is a "rollover" request pursuant to Section 16-185 of the Property Tax Code. 35 ILCS 200/16-185. The brief states that the subject is owner occupied. In support of this argument, the appellant submitted the Board's decision in docket number 14-23231.001-R-1, wherein the Board reduced the subject's assessment to \$10,400 for tax year 2014.

The appellant also contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$104,000 as of August 9, 2012. The monthly rent schedule found in the appraisal states that four units within the subject are occupied by tenants, and the remaining two units are vacant; and, therefore, the subject is not owner occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the appraisal's estimate of market value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,031. The subject's assessment reflects a market value of \$170,310, or \$31.76 per square foot of living area, including land, when applying the 2015 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

Conclusion of Law

Section 16-185 of the Illinois Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a *residence occupied by the owner is situated*, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185 (emphasis added). Moreover, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes judicial notice that it rendered a decision lowering the subject's assessment in tax year 2014, and that 2014 and 2015 are in the same general assessment period for Calumet Township. The record contains no evidence indicating that the Board's 2014 decision was reversed or modified upon review. However, the appraisal states that the units within the subject are either occupied by tenants or vacant. Thus, the Board finds that the subject is not owner occupied, which is an element that must be proven by a preponderance of the evidence, *id.*, for the Board to grant a reduction under Section 16-185 of the Property Tax Code. Therefore, the Board finds that a reduction is not warranted based on the appellant's "rollover" argument.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or

construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$104,000 as of the assessment date at issue. Since market value has been established the 2015 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
