

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael & Denise Connor
DOCKET NO.: 15-39453.001-R-1
PARCEL NO.: 03-29-403-044-0000

The parties of record before the Property Tax Appeal Board are Michael & Denise Connor, the appellant(s), by attorney George J. Behrens, of McCracken, McCracken & Behrens, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$595
IMPR.: \$41,555
TOTAL: \$42,150

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, townhome unit in an eleven unit residential dwelling association known as Hickory Row Homes. The subject is a six years old unit with 2,040 square feet of living area. The property has a 1,254 square foot site and is located in Arlington Heights, Wheeling Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket numbers 14-26911.001-R-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$41,395 based on the evidence submitted by the parties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,489. The subject property has an improvement assessment of \$47,894 or \$23.48 per square foot of living area. In support of the assessment, the board of review submitted four equity comparables. The board of review also submitted a brief stating that the subject must be owner-occupied for any previous assessment decision from PTAB to be carried forward in to the subsequent years of a general assessment period.

Conclusion of Law

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should not be carried forward to the subsequent year.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2014 assessment. However, the record does not indicate that the subject is an owner occupied dwelling. The subject's property record cards indicate that the subject did not receive a homeowner's exemption for 2014 and 2016. No further evidence was submitted supporting a rollover. Since the subject is not owner occupied, the Property Tax Appeal Board finds that a reduction in the subject's assessment is not warranted to reflect the Board's prior year's decision.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$17.83 to \$20.37 per square foot of living area. The subject's improvement assessment of \$23.48 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
