

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Emmet
DOCKET NO.: 15-39488.001-R-1
PARCEL NO.: 29-11-325-012-0000

The parties of record before the Property Tax Appeal Board are Kevin Emmet, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,240
IMPR.: \$ 2,980
TOTAL: \$ 5,220

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a multi-level dwelling of frame and masonry construction with 1,276 square feet of living area. The dwelling is 49 years old. Features of the home include a partial basement with a formal recreation room and a two-car garage. The property has a 6,893 square foot site, and is located in South Holland, Thornton Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four sale comparables. These comparables sold between June 2011 and January 2013 for \$39,088 to \$72,000, or \$30.63 to \$57.32 per square foot of living area, including land. The appellant also submitted evidence disclosing the subject

property was purchased on July 18, 2014 for a price of \$52,200. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$3,910.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,314. The subject's assessment reflects a market value of \$83,140, or \$65.16 per square foot of living area, including land, when applying the 2015 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight because it did not address the appellant's market value argument.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject in July 2014 for a price of \$52,200. The appellant provided evidence demonstrating that the sale had the elements of an arm's-length transaction, including disclosing that the parties to the transaction were not related, the property was sold using a real estate broker, and it was advertised for sale on the open market with a listing on the MLS for approximately three months. In further support of the transaction, the appellant submitted the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's-length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$52,200 as of January 1, 2015. Since market value has been established the 2015 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
